

FOOD AND BEVERAGE

Snowstar offers affordable food and beverage at two convenient locations. Upstairs we have our cafeteria which features our remodeled quick-serve layout. Downstairs we feature our deli in addition to our cozy pub for those who choose an adult beverage. Downstairs also has two fire places for your dining pleasure. When weather permits we also have cook-outs on our south-side patio. **We do not allow coolers to be brought into the dining areas, so that our food / beverage customers will have seating to enjoy their meal. Purchase anything at our facility and enjoy your sack lunch, but leave the cooler outside. State law also prohibits alcohol to be brought on to the premises.**
